Final Score

Fixed Water Levels

The house is protected to a water level of:

0,5 m

1 m

DATE OF ISSUE: _____ SIGNATURE: _____

Through flood prevention...

- Saving lives
- Avoiding and minimizing flood damage to the property

What is the FLOODLABEL?

- assess the hazard situation
- assess the flood risk for the building
- recommend suitable measures

also by visual inspection of the building by an expert

Risk reduction

FLOODLABEL empowers people to protect their property from floods, it shows the potential hazards and recommends measures for own precautions.

What are the advantages:

1. Know the hazard situation before flooding
2. Determine vulnerable points to take concrete action
3. Support flood prevention to reduce damages
4. Sensitize the population to behavioral measures during and before flooding

FLOODLABEL prepares you to prevent **yourself, your home and property:**
BEFORE THE FLOOD
